SUPPORT BATHROOM COLLECTION

Our Caroma LiveWell Collection specialises in providing beautiful designs which enhance the wellbeing of Australians and New Zealanders who need a little extra assistance in the bathroom. We understand that bathroom design is an important factor in promoting independency in the home for longer and our industrial designers have worked closely with health and aged care experts to create this comprehensive range of products, designed to deliver innovative solutions that surpass industry standards.

Designed with practicality at the core, our trusted LiveWell Collection enables comfortable living at every stage of life. LiveWell includes a versatile range of styles that enables you to create a unique space that both complements and elevates your lifestyle.

“We created the **Opal** Collection to enhance independence within the home. It’s a stylish combination of practicality and contemporary design.”

P. Sweatman
 – Dr Peter Sweatman,
 Caroma Design Researcher

Opal

The Opal Collection is a comprehensive and versatile range which is specifically designed to enhance your independence in the bathroom without having to compromise on style. Discreet design features such as raised height toilet pans and integrated shelf space on basins are just some of the simple additions offered to reduce challenges for the elderly and make the bathroom a more comfortable and practical space. Featuring smooth, rounded contours and clean lines, the Opal Collection will fit effortlessly into any bathroom, while ensuring easy cleaning, for maximum hygiene. It's the trusted Collection for all bathrooms designed with wellbeing in mind.

Create your *sanctuary*

First impressions count! At first glance, you'll see a stylish, modern bathroom. Look again and you'll see our integrated care products. Aging has never looked so good!

Shower support

Enhance the showering experience with the added confidence of our Opal Collection's shower support products. The corner support rails and shower seats provide added safety in a wet area, to help prevent slips and falls.

CORNER SUPPORT RAILS

Our corner shower support rails provide a comfortable and stable hand rail or foothold, to reduce the need for bending.

- Durable metal construction with polished chrome finish and textured grip area
- Available with the added convenience of a storage basket
- Designed for support. Load bearing up to 1100N (approx. 110kg)

SHOWER SEAT

Our shower seat provides support and stability for those with limited mobility, giving the user more independence and comfort. The sleek, slimline design folds up out of the way when not in use.

- Non-slip surface on seat
- Maximum load 150kg
